

CENTER *for* NEUROTECHNOLOGY

Center for Neurotechnology (University of Washington) Summer 2022 Research Experience for Undergraduates Application Instructions

Application Deadline: All materials must be received by 11:59 pm on January 15, 2022.

A completed application will contain the following materials:

1. Completed Application Form (complete the form at: <https://forms.gle/jHLiQnKPViKBjEn6>) including:
 - A. University/College Transcripts
 - B. Resume/CV
 - C. Personal statement
2. Two letters of reference/recommendation
 - A. You should send a request for a letter of reference/recommendation to two people who can evaluate your ability to participate in the CNT REU program. Mention to these letter writers that you are applying to the Center for Neurotechnology Summer REU program and refer them to the CNT REU web site:
<https://centerforneurotech.uw.edu/content/research-experience-undergraduates>
 - B. Ask your letter writers to send their completed letters directly to Dr. Eric Chudler at chudler@uw.edu.
 - C. Note that it is your responsibility to ensure that your letter writers submit their letters before the January 15, 2022 deadline.

All questions related to the CNT REU program and the CNT REU application should be sent to Dr. Eric Chudler at chudler@uw.edu.
